

Priority Mail Regional Rate Boxes

The competitive, cost-effective, Flat Rate choice

Are you currently using Priority Mail® to ship small, dense packages over short distances? If so, you could realize significant savings by giving Priority Mail Regional Rate boxes from the U.S. Postal Service® a try.

Priority Mail Regional Rate boxes come in a variety of pre-defined sizes, combine the speed and convenience of Priority Mail shipping and help keep costs low. For instance, shipping a 5 lb. package to Zone 8 using Priority Mail costs \$21.03 – but, if your item can fit in Regional Rate Box A your cost is \$10.80, that's a \$10.23 savings on just one package!

Features include:

- Delivery in 2-3 days
- Free USPS Tracking®
- No surcharges ever (including fuel, residential and Saturday delivery)
- Free Package Pickup
- Free USPS packaging
- Priced by box size and destination
